

# **Terms and Condition**

## **Introductory Note**

New Style fabricators Pvt. Ltd (NSF) hereby grants you a limited, non-exclusive and revocable license to use this Website in accordance with below terms and conditions which along with rules and regulations of India shall govern your use of this Website. By using this Website, you automatically accept these terms and conditions in full. Therefore if you disagree with any part of the bellow terms, you must not use this Website. Furthermore, all users represent and warrant that they possess the legal right and ability to agree to these terms and conditions.

## **Ownership, License and Access to Website**

The content of the Website that is posted by us, including, but not limited to, any text, graphics, logos, icons, images, headers, illustrations, audio clips, digital, downloads, data compilations, video clips and software is owned or licensed by us or our content providers, and so except from the license below, all related intellectual property rights are fully reserved.

You may view or download material from the Website for your personal use; however, you may not copy, reproduce, retransmit, distribute, publish, edit, modify, commercially exploit, sell, rent, sub-license or otherwise transfer or give any material contained on the Website unless expressly stated therein, in which case you shall meet all the related terms and conditions. You acknowledge that our third party content providers or we retain ownership of the posted materials and that you are not acquiring any ownership rights or other intellectual property rights or any other right whatsoever by downloading copyrighted materials or otherwise using the Website. In addition, all trademarks and intellectual property are also the property of NSF or its content suppliers and any use, misuse or copying of any trademarks or intellectual property is prohibited without our express written authorization.

## **User content**

On certain identified areas of this Website you may be able to submit texts, files, images, photos, videos, sounds, musical works, works of authorship, text postings, and other materials and content ("User Content") for especial purpose intended by the Website. You warrant that all information that you submit to this Website is true, accurate and current. Your posting of User Content is subject to these terms as well as any additional terms posted for a specific feature.

NSF may edit or delete any User Content that in its sole judgment violates these terms.

You agree that in using this Website, including the interactive features and inserted links therein, you will adhere to the following:

- You agree not to post any content that is unlawful, harmful, tortuous, defamatory, libelous, obscene, invasive of the privacy of us or others, threatening, harassing, abusive, hateful, racist, infringing, pornographic, violent or otherwise objectionable, subject of a threatened or actual legal proceeding, or inappropriate

as determined by NSF or the Applicable Law (i.e. Indian Law), or other material which could constitute or encourage conduct that would be considered a criminal offense, give rise to civil liability or otherwise violate any law or regulation, especially Indian Laws and customs, or international standards and customs in this regard.

- You shall not post any content that contains personal information about any individual, is or may be in contradiction with the privacy/publicity of any other individual or entity, or anything that you are under a contractual or legal obligation to keep private or confidential. You agree that you will not impersonate any person or organization.
- You agree not to post any content that contains business solicitation of any type, including, but not limited to, advertising a product or service, offering a product or service for sale, or directing readers to a location for more information about a product or service.
- You must not conduct any data collection activity whether systematic, automated or otherwise (including without limitation scraping, data mining, data extraction and data harvesting) on or in relation to this website without NSF's express written consent.
- You agree not to post any software to the Website, nor will you post any content that contains viruses, corrupted files, or any other similar software or programs that may in any way adversely affect the operation of the Website, or feature of the Website, or interests of the site owner in any way.
- You agree not to modify in any way any application codes provided to you by Website or as embedded in the User Content unless and to the extent expressly authorized in writing by NSF.
- You agree not to share or transfer password or other access information with any other party, temporarily or permanently. You shall bear sole responsibility for all use of your account and for the confidentiality of your password.
- You shall not use this Website to load, copy, store, host, transmit, send, use, publish or distribute any material which consists of (or is linked to) any spyware, computer virus, trojan horse, worm, keystroke logger, rootkit or other malicious computer software.
- You shall not use this Website in any way that causes, or may cause, damage to the Website or impairment of the availability or accessibility of it.

By posting information on or through the Website you automatically grant us a royalty-free, perpetual, irrevocable, non-exclusive license to use, reproduce, modify, transmit, translate, distribute, perform and display your information alone or as part of other works in any form, media, or technology whether now known or hereafter developed, and to sublicense such rights to others. You acknowledge that no compensation will be paid with respect to the use of your information. You represent and warrant that you have proper authorization for the worldwide transfer and processing among NSF, its affiliates and third-party providers of any of information that you may provide on the Website. You also grant to NSF the right to sub-license these rights, and the right to bring action for infringement of these rights.

Please consider that nothing in the above mentioned shall be construed as an obligation of NSF or its affiliates or third-party providers to monitor the submission of such content to, or the publication of such content on, this Website; therefore the obligation to abide to the terms and conditions hereunder this Website disclaimer, are solely undertaken by you and you shall be held liable and responsible in case of any default of this obligation.

### **No warranties**

This Website is provided on an “as is” and "as available" basis without any representations or warranties, express or implied whatsoever, as to the operation of the Website or the information, content, links or the accuracy or continued availability of any of the foregoing. You agree that use of this Website is entirely at your own risk and we do not warrant that the Website and its services are free of viruses or other harmful components or the Website will be available or error-free. Nothing on this Website constitutes, or is meant to constitute, advice of any kind. Also links to third party Websites (if any) are for your convenience only. Such websites are operated and controlled by third parties and NSF is not responsible for and does not warrant the content and safety of those websites.

### **NSF’s Limitations of liability**

NSF will not be liable to you or any other person (whether under the law of contracts, the law of torts or otherwise) in relation to the contents of, or use of, or otherwise in connection with this Website, for any claims, or direct or indirect loss or damages, including but not limited to, any business losses, loss of revenue, income, profits or anticipated savings, loss of contracts or business relationships, loss of reputation or goodwill, or loss or corruption of information or data, or hack of data, or claims of any kind. These limitations of liability apply even if NSF has been expressly advised of the potential loss. By using this Website, you agree that the exclusions and limitations of liability set out in this Website disclaimer are reasonable and that you accept and undertake to abide to them.

The mentioned limitation of liability shall include officers, employees, agents, subsidiaries, successors, assigns and sub-contractors of the NSF also.

### **Indemnification**

You agree to defend, hold harmless and indemnify NSF, as well as each partner and member of NSF, its mother companies, subsidiaries and other affiliated companies, its officers, directors and employees, and person harmed or in a threat of harm, from all losses, damages, liabilities, claims and costs and expenses, including court procedural fees or amounts paid for settlement of disputes, that may arise from your use or misuse of this Website, including any violation by you of these terms and conditions, or violation of any laws and regulation of the Applicable Law, or any other national or international customs and standards.

### **Breaches of these terms and conditions**

Without prejudice to NSF's other rights under governing law and these terms and conditions, if you breach any obligation hereunder in any way, NSF may take such action as NSF deems appropriate to deal with the breach, including suspending your access to the Website, prohibiting you from accessing the Website, blocking computers using your IP address from accessing the Website, contacting your internet service provider to request that they block your access to the Website and/or bringing court proceedings against you for any kind of damages incurred.

### **Assignment**

NSF may transfer, sub-contract or otherwise deal with NSF's rights and/or obligations under these terms and conditions without notifying you or obtaining your consent. You waive the right to assign any and all of the rights and obligations stipulated herein or resulting from any act or omission in relation with these terms and conditions.

### **Variation**

These terms and conditions may be subject to change and we retain the right of their modification at any time and in any manner in our sole discretion and without notice. Revised terms and conditions will apply to the use of this Website from the date of the publication of the revised terms and conditions on this Website, and may affect previous data and personal data and settings. By using this Website you agree to those as modified.

### **Severability**

Any provisions of this Agreement, which are prohibited or unenforceable in any jurisdiction, shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

### **Applicable Law and competent jurisdiction**

This Website is hosted in INDIA and is designed for domestic users primarily. Thus if you use this Website from any other State you acknowledge the related risks. You agree that laws and regulations of INDIA govern this agreement on terms and conditions and any dispute arising out of, in relation to or in connection with this agreement. The courts and authorities of INDIA (Jammu) shall have the exclusive jurisdiction over any conflict or dispute whatsoever and in any kind concerning this agreement according to Indian laws and regulations.

### **Waiver**

Failure of NSF to request or insist fulfillment of any obligation hereof shall not be construed as a waiver of legal rights or those mentioned herein or acceptance of such breach.

### **Entire agreement**

These terms and conditions constitute the entire agreement between you and NSF in relation to your use of this Website and no other agreements, written or oral, shall be deemed to exist or to bind any of the parties hereto and all prior agreements, understandings and representations, are merged herein and superseded hereby. Each party represents to the other that there are no contemporaneous agreements or understandings between the parties relating to the subject matter of these terms and conditions that are not contained herein.
